

**AGENCY FOR NATURE  
CONSERVATION AND LANDSCAPE  
PROTECTION OF THE CR**

**Alena Dostálová, Martin Strnad**

*Brasov, 27-28 July 2011*

jointly for our common future

# **Agency for Nature Conservation and Landscape Protection of the Czech Republic (ANCLP CR)**

- **a governmental body established by the Ministry of the Environment**
- **main aim is to protect and conserve nature and landscape within the whole territory of the Czech Republic**

## Goals at the national level

- **monitoring** status, changes and trends in habitats and species
- performance of the **State Administration** in nature conservation and landscape protection within the Protected Landscape Areas (in total 24 PLAs, 13.8% of the Czech Republic)
- administration of national subsidy programmes as well as some European Community funds serving to conserve nature and to protect landscape
- state property management in the Czech Republic (not only in protected areas)

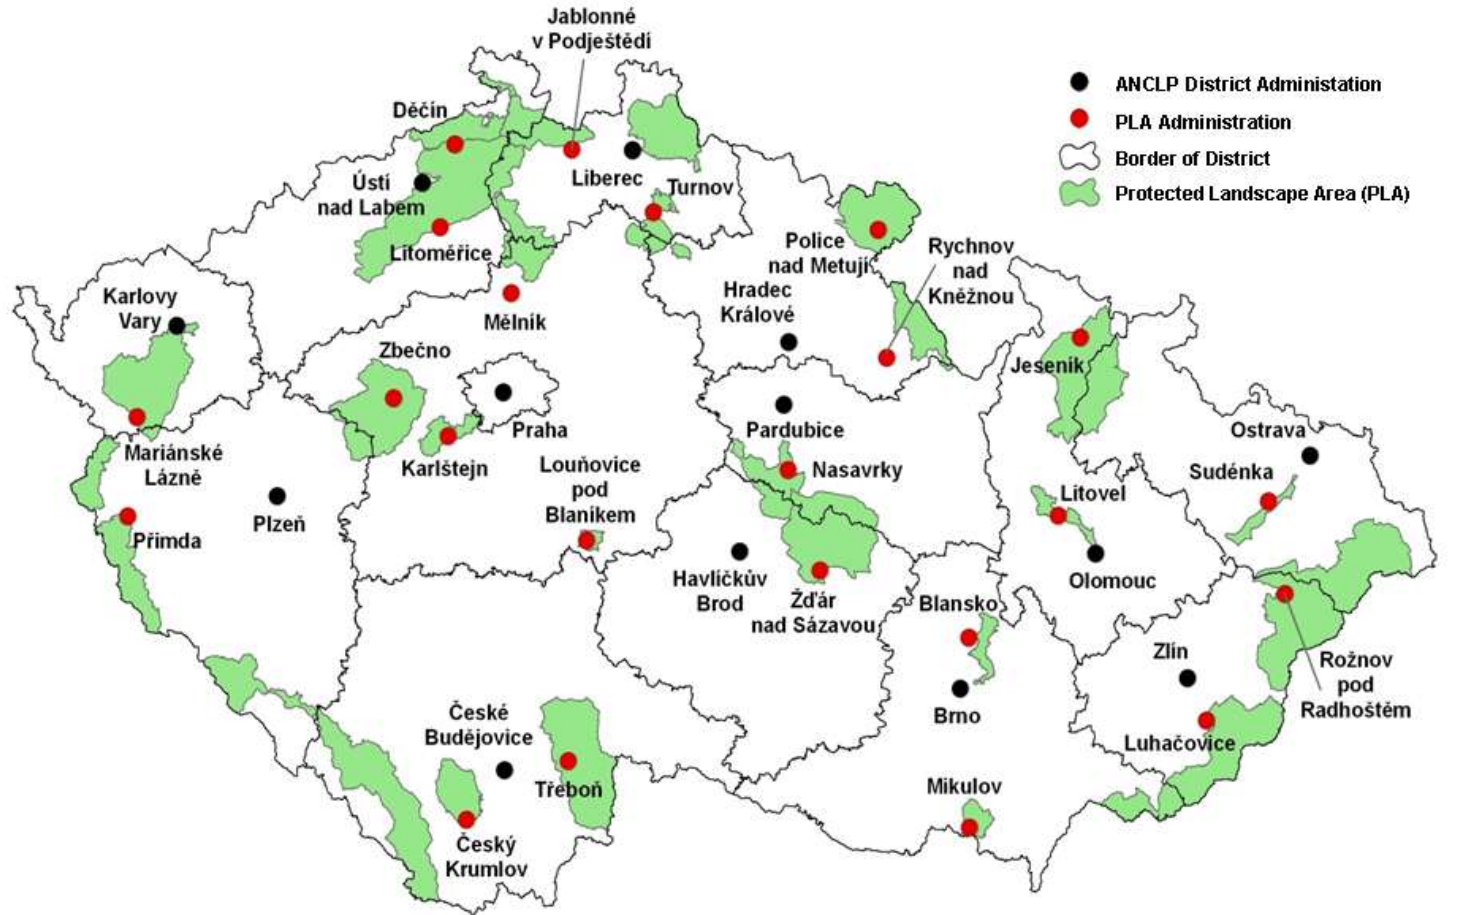

## Goals at the national level

- administration of **Central Governmental Documentation on Nature Conservation and Landscape Protection** (including operation of a scientific library and administrative archives)
- design, development and maintenance of the **Nature Conservancy Information System (NCIS)**
  - NCIS is electronic service for Documentation
- technical and expert support of the State Administration performance including methodological activities

## 30 regional offices, ± 600 employees

0 40 80 120 km

Data source: © ANCLP CR 2009

## Goals at the international level

- international cooperation in nature conservation - providing international obligations
- obligations under Habitats Directive (92/43/EEC), Birds Directive (79/409/EEC)
  - development of the Natura 2000 network in the Czech Republic (administration of the Standard Data Form – common database)
  - monitoring the phenomena (species and habitats) of Community interest in entire country – Art. 11 Habitats Directive
  - reporting of conservation status of the habitat types and species of Community interest – Art. 17 Habitats Directive
- carrying out the national part of the Common Database of Designated Areas
